Work Environment

Milwaukee Christian Center is a multi-service organization that works to build strong neighborhoods full of opportunity. We approach that work through four core areas: housing, youth development, older adults, and food security – serving over 7,500 people each year. What began with American Baptist roots providing outreach to immigrants on Milwaukee's south side in 1921, MCC now serves youth, families, and older adults of all races, ethnicities, religions, and ages throughout the city of Milwaukee.

The Youth Development Program is located within Kosciuszko Community Center and Forest Home Avenue Elementary School, bustling Milwaukee County Parks' and Milwaukee Public Schools' facilities. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. The noise level in the work environment is usually moderate to high.
